

All matches start on hole 1

It is the responsibility of the bottom player to contact the top player to arrange their match, if there is no communication before 3 weeks of the cut off date the top player cannot be held responsible for the game not to be played on time due to holiday or some kind of event

Matches **MUST** be played before the end date or the bottom player will be disqualified from the tournament! **NO** exceptions. If the bottom player organized the date before the 3 weeks gap and the top player could not make that date and the top player fails to arrange a new date before the end date, the top player will be disqualified

The final of the tournament will be decided on a 36 hole match

All players play of their official handicap.

The lower handicap of the players moves to a 0 handicap and the other player/s subtract the lower players handicap by theirs

In case of a draw after 18 holes, hole 18 will be played over and over on a sudden death playoff format until we get a winner

The lower handicap of the players moves to a 0 handicap and the other player/s subtract the lower players handicap by theirs
